

TASTE + DISCOVER NEW ZEALAND

New Zealand's wine regions extend 1,100km from the subtropical Northland right down to here in Central Otago, home to the world's most southerly vineyards. Our vineyards benefit from the moderating effect of our maritime climate with no vineyard more than 120km from the ocean, allowing long sunshine hours by day and cool sea breezes by night.

Choose from some of New Zealand's very best wines here at Little Blackwood, including a selection from Gibbston Valley just 20 minutes away, plus a few of our favourites from around the world that can't be ignored.
